

COLLEZIONE OSLO

La moda cambia, il nostro mondo è in movimento, quindi è necessario progettare una gamma di manichini che possano accompagnarti in questo movimento perpetuo. Oslo potrebbe essere il fiore all'occhiello di questo cambiamento ed è stato progettato con questa idea principale di adattabilità.

Progettato per l'adattabilità. Oslo presenta un
rivoluzionario sistema di bracci e teste intercambiabili che
fa evolvere questa collezione.
